Item 2.02. Results of Operations and Financial Condition.

On July 28, 2016, Stericycle, Inc. (the “Company”), in its press release announcing financial results for the quarter ended June 30, 2016, modified the presentation of revenues in Table 1-A, Global Revenue Details by Service, for the periods presented therein. As of September 30, 2016, revenues from certain customers that were previously classified within Manufacturing and Industrial Services (M&I) have been increasingly viewed by management as being more appropriately classified within Regulated Waste and Compliance Services.
